From

Director,
Minorities Welfare,

To
All District Backward Classes and Minority
Welfare Officers.

Letter no. B1/1143/2017 dated 2.11.2017

Welfare of Minorities – Scholarship Schemes – Pre-Matric, Post-Matric and Merit-cum-Means based Scholarship Schemes for Minority Students – Implementing through National Scholarship Portal for the year 2017-18 – Verification of Applications – Instructions – Issued.

- Ref:
1. Letter No. 13-9/2016-SS, Ministry of Minority Affairs, Govt. of India, dated 10.10.2017.
 2. This office circular dated 10.10.2017.

I invite your attention to the verification status on National Scholarship Portal. It has been noticed that the verification process of application received under the aforesaid three scholarship schemes for Minority Students is quite slow and only 50% of applications under both Fresh and Renewal cases has been verified so far by the Institutions as well as by District Backward Classes and Minority Welfare Officers.

2. It is the responsible of the District Nodal Officer to initiate special drive and ensure that the process of marking applications as "defective" by the Institutions as well as DBCMWOs should be completed within 5.11.2017. This should be treated as Top Priority so that the students would get enough time to correct and to resubmit the applications to the institutions.

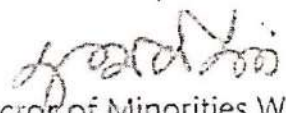

3. It is the responsible in respect of various problems such as students wrongly entered Institution's name, Incorrect account details, and other mandatory fields, such applications should be marked as 'Defective' by Institution as well as DBCMWO and such applications will be returned to student login. In this circumstance, necessary

changes have to be made under student's login and resubmit to the institution on or before 12.11.2017.

4. The Ministry of Minority Affairs, Govt. of India has fixed the last date for verification of Scholarship applications by Institution / District as 15.11.2017. I request you to follow up the Head of Institutions of your District and give necessary instructions to speed up the verification process and get all the applications verified before 15.11.2017 for timely disbursement of Scholarship of 2017-18 failing which you will be held responsible for such lapses. Renewal Applications should be verified before Fresh cases, so that payment process can be initiated at the earliest for them.

5. I would like to inform that fake requests for gaining Institutions' login credentials are being received and the request have been verified and found invalidated by the Principal / Head of Institution. Hence, you are directed to be vigilant while processing such requests and cross check the validity of the request with Head of Institution before issuing login credentials so as to avoid serious wrongdoings in future by the undesired elements.
