Guest Lecture | 2023

St. John's College of Arts & Science, Ammandivilai

Department of Physics

To inculcate the recent trends on Artificial Intelligence for the sophomores of Physics students, Guest Lecture was arranged on 10th February 2023 in the Seminar Hall. The Guest Lecture began with a prayer song by Ms. K. Abitha Julliet. Ms. M. Monika welcomed the gathering. The session was then continued by Dr. R. Kavitha Jebamalar of Computer Science Department who began with an introduction to the basics of Artificial Intelligence and how important it is going to be in the near future. After her lecture the students were given time to interact with her. Students felt that the session was more informative and interactive. At the end of the guest lecture, three students gave their feedback, and explained how they were benefited. This wonderful session ended with the formal vote of thanks proposed by Ms. I. Ifhitha.
