1. Profile of the Department

1.1 History of the Department

The Department of Computer Applications was established in the year 2010. Living in the technological world, computer applications have become an indispensable part of our lives. The way we work, connect, socialize, play and various other day-to-day activities are all influenced by computer applications. The department infrastructure is well furnished with all facilities. Our computer lab has well equipped laboratories with the latest hardware and software. The department has dedicated and committed faculty members supported by technical staff. It offers a strong foundation in the study of computer applications. The faculty members keep in touch with the ever growing technology. Skill sets of the students are enhanced through regular workshops, seminars and industrial visits. The students are always encouraged and supported to participate in events held outside the college, especially in inter-collegiate events. The alumni occupy coveted positions in various industries and academic institutions.

1.2 Vision

The department envisions developing itself into academic excellence in the field of computer applications in order to develop competitive professionals having right knowledge, skill and attitude to serve the society and ever changing industry.

1.3 Mission

To provide the students with the best opportunities and environment for quality education professional competencies and technical skills.

- To provide strong theoretical foundation in computer application complemented with extensive practical training to mould students to meet the challenges.
- To equip students to contribute to the technological and social development of the world.
- To encourage entrepreneurship skills among students.

DEPARTMENT OF PHYSICS

VISION

Develop the pre-eminent centre of teaching in Physics to produce a scientifically learned public and a technically skilled workforce.

MISSION

Provide rigorous and ample courses to the students for nurturing the interest and enthusiasm about the physical world.

OBJECTIVES

- ✦ To impart quality education and achieve academic excellence through planning, leadership, brilliance, inspiration and effectiveness.
- ✦ To set high standards of comprehensive education by developing the intellectual strength of students and guiding them towards scientific and technical excellence.
- ✦ To create an intellectual property through innovations and quality Research Publications.

MISSION

To provide accessible, affordable and personalized educational opportunities and character building as founded on the Christian values of faith, hope and love.

VISION

To create an environment in which our students can fulfill their potential, pursue excellence, overcome the challenges and be the global leaders of the future.

THE ADMINISTRATION

St. John's College of Arts and Science is owned and managed by the JVDC Trust run by **Rev. Dr. V. John Bosco** and **Rev. Fr. A. Albin Roby**, the priests of the Diocese of Kottar.
