E-Governance Report

28-02-2022

Annual E-Governance Report 2021 – 2022

The E-Governance system of our institution is used for Admission, Students Information System, Accounts Maintenance, Library Management and Students attendance maintenance.

The inclusion of Examination management is in proposal and planned to implement from the next academic year. The system is maintained by ELUCIDA MINDWARE SOLUTIONS and the same company will continue to maintain the system and develop the examination management system.

The college website is periodically updated with the current events by the computer science department.

There is no updates in the existing E-Governance policy.
