Department of Computer Science

Joy of Giving

(Visiting Home for Abandoned People)

Date: 15-02-2020

The final year students of the Computer Science department visited the elderly home in Sahaya Nagar near Valukkamparai. They spent the forenoon with them by services like cleaning their surroundings. After lunch, the students entertain the elderly people by small games. Around 3:00 PM the students left with the blessings of the elderly people and carry lot of experience and sentiments. There can be no doubt that this meeting of the students with the elderly and their closeness and kindness would have inspired the elderly. The Chairman of our college Rev. Fr. John Bosco, Secretary Rev. Fr. Sam F. Mathew, Principal Dr. M. Edwin Gnanadhas, visited this home and spend some times with the students and the inmates. Rev. Fr. Glacin, the HoD of the department, other staff members of the department, the final year students and the NSS volunteers from the department did their part of work perfectly. The management team of the elderly home Rev. Fr. John A. Kennady, Rev. Fr. Sunil, Rev. Sr. Libi and Rev. Sr. Nalina did all the arrangements and make the day as a great day of social activity by the participants.

Prepared by Mrs. R. Amala Rose

Department of Computer Applications

Placement Training Programme, 02-03-2021

Date: 02-03-2021

Time: 10:00 AM to 11:30 AM

Venue: Multimedia Hall

Objective:

To train the final year students with soft skills that will need to meet the job market with confident and make themselves to employable.

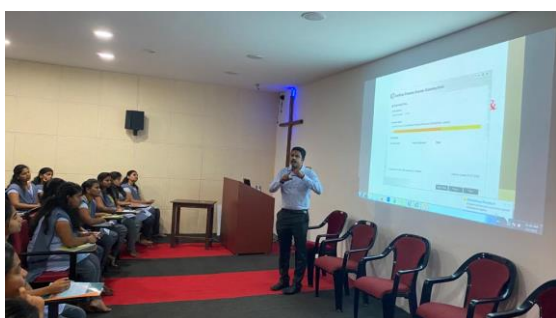

Target Participants:

Final year B.Sc. (Computer Science) and BCA students.

Detailed Report:

The programme was organized with the coordination of Computer Science Department. Dr. M. Edwin Gnanadhas, Principal, presided over the function. The programme was inaugurated with prayer. Dr. G. Jai Arul Jose, Head of Computer Applications Department welcomed the gathering. In his presidential address our principal expressed the importance of the soft skills to be improved by the students. Further he told that lot of opportunities are there in IT industry and the students should equip them to full fill the need of the job market. Mrs. R. Amala Rose, Head of Computer Science Department, introduced the guest Mr. M. Anto Xavier Roch, M.S., Placement Officer, St. Xavier's Catholic College of Engineering. The session was continued by the guest. He presented about the soft skills needed to hunt job in the industry. The programme was end with the vote of thanks by the head of Computer Science Mrs. Amala Rose.

Outcome:

The students get trained to prepare their resume according to the skill set required, face the interview, the way to improve communication skills and other soft skills.
