Dear Sir/Madam,

Greetings

We express immense pleasure to inform you that the Post Graduate and Research Department of Commerce, St. John's College of Arts & Science, Ammandivilai, is organizing one day **National conference on Business Policy and Strategic Management for India @2030** on 26th March 2024. The conference aims at updating the academic community with recent business policy formulated by the top level management. We expect the valuable involvement of faculty, students and research scholars of your institution.

About the Institution

St. John's College of Arts & Science was started in 2009 at Ammandivilai as a christian minority educational institution. The college is affiliated to Manonmaniam Sundaranar University. The college is having 7 UG departments, 4 PG departments with 2 M.Phil courses. In 2016-2017, the institution reached a higher level when it was permitted to start M.Phil programme in English and Mathematics. The college that has grown tremendously in the past one decade aspires to reach higher levels of excellence in education without deviating from the christian values, on which its foundation has been laid.

About the Department

The Department of Commerce St. John's College of Arts & Science started its journey from the academic year 2009-2010. In the academic year 2012-2013 as a glorious mark of the development of the department, the college was given permission to begin post graduation in commerce. The department has been producing university rank holders both UG and PG level. Once again the department has achieved a remarkable milestone in its path by the establishment of research centre in December 2019. The main aim of the department is to offer superior quality affordable and professional education in view of

shaping graduates, post graduates, and research scholars with high ethical, moral and leadership qualities.

About the Conference

India is set to become the third-largest economy by 2030. India needs to build resilient infrastructure, promote inclusive and sustainable industrialisation and foster innovation to achieve the ambitious target of a 10 trillion-dollar economy. This is a crucial decade for India to shape its own future to chart a path for other developing countries in a global context that has been transformed by the pandemic, conflict and the challenges posed by climate change. It is our joint responsibility to shape the best path for ensuring a future India with equal opportunities for all. Developing a strong logistics framework will be key in transforming India from a services-dominated economy into a manufacturing-dominant one. India's current strengths such as high-value services exports, a growing digital ecosystem, availability of a large working population, track record in creating renewable energy capacity, and megatrends such as a growing entrepreneurship and start-up ecosystem will play a critical role in transforming India into a New India - a strong, secure and prosperous nation where everyone has access to opportunities of development.

Objectives of the Conference

- ✓ To provide a platform for participants to exchange knowledge, ideas, and best practices in the field of business and economics.
- ✓ To create opportunities for networking and collaboration among professionals, academics, and practitioners in the business and economic sectors.
- ✓ To explore thrust areas of research in this contemporary topic.

Sub topics / Theme for paper presenters

- India's Role in Multilateral Institutions
- Business Ethics and Sustainability for Global Leadership
- Digitalisation and Technological Innovation for Skilled India

- Entrepreneurial Ecosystem for fast economic growth
- Role of Financial Inclusion and Innovation
- Women in Leadership Roles in the New India
- Sustainable Agriculture and Food Security for Self-Reliant India

It may be noted that above mentioned tracks are indicative in nature and papers may be submitted in any other relevant sub track and other emerging areas of Business Policy and Strategic Management for India.

Guidelines for Abstract and Full Paper Submission

The paper should be an original contribution, including on-going / completed / unpublished research work, highlighting the mentioned thrust areas. On the title page of the abstract the following should be mentioned.
