About Research and Development Cell of A.V.P. CAS

Research is creating new knowledge - Neil Armstrong Research and Development cell of A.V.P. College of Arts and Science was implemented in the year 2018 with the vision of addressing the societal challenges by enabling a conducive environment for research and innovation. To focus on the Research area in the vast field of education, the students and Faculty members are motivated and fortified to present and publish research articles in their own field of research. To formalize the research curiosity among the teaching fraternity, the faculty members are motivated to mend their research skills by registering for M.Phil and Ph.D programme. The faculty members and students are highly motivated to bring out their innovative ideas. The institution offers a complete support for the Research and Development activities. We believe in prosperity through Research and innovation.

About Intellectual Property Rights (IPR) of A.V.P. CAS

Intellectual property (IP) refers to various distinct types of creations of the mind: inventions, literary and artistic works, and symbols, names, images, and designs; for which a set of exclusive rights like copyrights, trademarks, patents, industrial design rights and trade secrets are recognized under the corresponding fields of law. An Intellectual Property Right (IPR) Cell has been formed in A.V.P. College of Arts and Science to create awareness among faculties and the students of the Institution and motivate them to have Intellectual property rights. IPR cell organizes various seminars, Workshops and contests regarding Intellectual property rights.

St. John's College of Arts and Science

St. John's College of Arts and Science is a dream come true for the disadvantaged people along the coastline of Kanyakumari District. Rev. Frs. V. John Bosco and Albin Roby, the founders of this college, have been the trustees of the JYDC Trust (Jan Vriend Development Centre Trust) for the past 12 years to promote higher education among the less fortunate young students of the coastal belt sponsored by Rev. Fr. Jan Vriend from the Netherlands. Fr. Vriend has an ecclesiastical and ecumenical philanthropy to help the poor and downtrodden. The need of this College was very much felt way back in 2002. The discussions on how to realize this dream grappled these priests for a couple of years and in February 2005 Fr. Jan Vriend and his pastoral team successfully finalized the 'modus operandi' of this project. The former Bishop Late Rt. Rev. Dr Leon Dharmaraj D. Had been a source of great moral support since its inception. The patron of this College Rev. Fr. John Vriend and the founders Rev. Frs. V. John Bosco and Albin Roby believe that education alone can unlock the golden gates of freedom and development. So with a missionary zeal they are fully committed to provide the best education founded on Christian values of faith, hope and love. The Most Rev. Dr. Peter Remigius, the Bishop of Kottar gave his blessings by laying the corner stone of this St. John's College of Arts and Science. The Government of Tamil Nadu crowned the efforts of the patron and the founders by granting its permission through the G.O M.S. No.54 dated 04.02.2009. The Manonmaniam Sundaranar University, Tirunelveli, has given its affiliation to the College to function from the academic year of 2009-2010
