IQAC PREPARATORY MEETING

MINUTES of the MEETING

The IQAC preparatory meeting was held on 14th June 2018 at the Multimedia Room by 2.00p.m. The meeting was presided by Special Invitee Dr. James, Additional Controller of Scott Christian College (Autonomous), Nagercoil. The meeting was formally started with a prayer song and the special guest was welcomed by the Principal Dr. M. Edwin Gnanadhas. In his welcome note the principal also initiated the objective of the meeting. He insisted that quality is the essential of any institution which can be best achieved through IQAC practices at the college campus. He also added that this initiative will make the institution leap over heights and reach the horizon of achievement both in academic and in public commitment.

The speaker of the day Dr. James shared his professional experience on NAAC certification procedure. All the criteria related to NAAC certification was elaborately explained by the special invitee. He focused on the need of installing best practices at the St. John's campus which will make itself distinctive in all its endeavors. In his speech he pinpoint on the importance of Experiential Learning that has to be provided to the student fraternity which will make the student understand the concepts which may not be better explained through words. The significance of Library Management system through which digitalization of resources available in the library can be enhanced was illuminated. Student Progression is yet another area which has to be paid attention to keep intact with the interest of the students in their career development. Similarly, establishing Incubation unit and uploading e – Content is also essential to achieve hallmark in the activities of the college.

In this preparatory meeting the IQAC office bearers held their office. Both the IQAC core team members and liaison officers interacted with the Special Invitee and clarified their doubts related with the criteria of NAAC and functioning of IQAC.

The following quality initiatives were proposed by the IQAC Team members in this meeting;

- To initiate Library Resource Sharing.
- To sign an MOU with SEED foundation for launching a YouTube space for St. John's community

- To start certificate and skill oriented courses from July 2, 2018(Monday).
- To keep in track with outgone student progression.
- To encourage the faculty members to increase their number of publications in the UGC listed journals.
- To upload e- Content by the faculty members in the YouTube Channel which the students may directly access.

It was decided that the IQAC core team will meet once in two weeks on all Tuesdays. Finally the meeting came to its close after the vote of thanks proposed by the Vice Principal Dr. R. Jeba Malar.

- **Opening of the meeting:**

The meeting was called open by the Principal of the Institution after a short prayer.

- **Approval of the Agenda:**

The agenda for the meeting was unanimously accepted by the participants of the meeting.

- **Discussion:**

The IQAC team suggested that financial support has to be provided to the faculty members who participate in FDP's, technical workshops and publish papers in conferences. It is been decided by the team that the same will be submitted as a proposal to the Secretary through the Principal of the college. Student's feedback will be collected from all the departments through the IQAC members such that faculty of the same department will not be involved in collecting feedback from the students of the same department. The need for an Academic Audit was raised by the Principal. It is been decided that the IQAC will come out with the schedule for the Academic Audit by the next meeting.

It is been decided by the IQAC team to meet again in the month of February 2019. The time and venue will be informed later through circular by the IQAC coordinator. The meeting came to an end by words of gratitude by the IQAC Coordinator.

- **Resolutions Passed:**

- 1) Financial support to faculty members for Professional development.
- 2) Preparation of Schedule for Academic Audit.
- 3) Registering Student's Feedback.
