CRITERIA 2- TEACHING- LEARNING AND EVALUATION

2022-2023

Key Indicator-2.7 STUDENT SATISFACTION SURVEY REPORT

St. John's college of Arts and Science, Ammandivilai is conducting a Student Satisfaction Survey regarding Teaching – Learning and Evaluation, which will help to upgrade the quality in higher education. Every year at the end of the Academic Year student's feedback is taken to know the areas of improvement and the same is implemented as and when required. Following is the unbiased report of the students which is based on the questionnaire provided by NAAC.

Student Satisfaction Survey (SSS) is conducted every year to know about the students' perception about Teaching Learning and Evaluation, which will help to upgrade the quality of process followed in our institution. Students are randomly selected for the survey by system. Only that particular student who was chosen randomly will get the Questionnaire. The students will remain anonymous throughout the survey process. In SSS there would be twenty-one questions all over and out of which, twenty questions would be objective type and one question provides opportunity for the students to give their observations / suggestions in a descriptive way to improve the overall teaching – learning experience in our institution. The questionnaire covers a wide array of skills involved in the teaching process which vary from teaching skills of the teacher, technical knowledge, effectiveness of communication, preparedness, doubt clearing skills and use of ICT to overall approach to the educational process like motivation, interpersonal relationships, feedback, dynamically modifying teaching methodology to help weak students etc., The Questionnaire is based on a graded marking system. The student's response is based on a scale 0 to 4. Highest positive response is rated as 4 and the lowest negative response is rated as 0. This removes the binary forced approach and provides a more comfortable wider range for students to register their opinion. The printed student's satisfactory survey form was given and get marked from the students in the institution currently pursuing the degree of all programme. This was around 1052 in number. This fetched response

from 1000 students was recorded and the performances of stakeholders were analyzed with regards to the feedback provided. End analysis of the survey is done.

SAMPLE STUDENT SATISFACTION SURVEY

National Assessment and Accreditation Council (NAAC)
Student Satisfaction Survey
Key Indicator - 2.7.1
Under Criterion II of Teaching – Learning and Evaluation

Guidelines for Students

NAAC (National Assessment and accreditation council) is conducting a Student Satisfaction Survey regarding Teaching – Learning and Evaluation, which will help to upgrade the quality in higher education. Student's Feedback -Teaching–Learning and Evaluation

OBSERVATION / SUGGESTIONS TO IMPROVE THE OVERALL TEACHING–LEARNING EXPERIENCE IN THE INSTITUTION

Students were given the above-mentioned questionnaire through printed Forms. Their responses were collected in paper form. These responses were analyzed in the graphical representation. According to the responses received most of the students have expressed that the Teaching and Learning process is very good, they are given varied exposure to participate in various activities both in academics and other areas of learning. When it comes to ICT usage some of the students have expressed that few more teachers can use it in an advanced way. Student's responses also show that they are happy and satisfied with the way the Institution has given the best learning platform.

Action Taken Report (Sample)

Sl.No	Feedback	Action Taken
1	More Co-Curricular activities that should Include latest trends in technology are required	Special Workshops sessions done periodically to address this.
2	Technology updates are needed	Value added courses by industrial standards are conducted every semester
3	Need Increase in core placement	Placement Training scheme improved year with experts to provide a best development of students' employability with current scenario More MOUs signed with core companies and more students attending internships/ trainings in companies in core domain
6	More Industry Related activities	Industry oriented and Industry supported Laboratory being setup
